IMPORTANT NOTES

We would like to draw Your attention to important features of Your policy including:

- **Emergency Medical Expenses:** This policy is NOT a Private Medical Insurance policy, and does not provide cover for procedures that can be carried out in Your country of residence after repatriation or for any medical expenses incurred in private facilities if a medically suitable State facility is available. This policy does not provide cover for private medical expenses when You are hospitalised in a state run hospital or clinic where EU residents have a right to state provided emergency treatment.
- **Material Facts:** You must declare to Us all Material Facts that are likely to affect this insurance. Failure to do so may prejudice entitlement to claim. If You are uncertain as to whether a fact is material, You should declare it to Us by calling Our Travel Helpline on 020 7402 9211. Please refer to the definition of a 'Material Fact' in the Meaning of Words.
- **Health:** This policy contains restrictions regarding Pre-existing Medical Conditions which unless declared and accepted by the Insurers in writing prior to travel may invalidate any subsequent claim. If You are in any doubt as to whether You would be covered by the policy please call the Medical Screening Helpline.
- **Changes in health or medication:** You must contact Us and declare any changes in Your health or Your medication that occur between the date You take out this policy and the date You start any Trip.
- **Cancellation, Curtailment & Trip Interruption cover:** It is important to note that the policy contains conditions and exclusions in relation to non-insured travelling companions, close relatives or persons with whom You intend to stay whilst on Your Trip, in the event of any need to cancel, curtail or interrupt a Trip as a result of changes in their health. Please refer to the 'Important Limitations - Cancellation, Curtailment & Trip Interruption Cover' section for full details.
- **Special Sports & Activities:** This policy specifically excludes participating in or practising for certain sports and activities. Your policy can be extended to cover some of these sporting activities (as detailed under the Optional Special Sports & Activities Cover Section) when You have paid an appropriate additional premium. If You are going to take part in special sports and activities where there may be a high risk of injury or if You are in any doubt as to whether cover will apply, please call the Travel Helpline on 020 7402 9211.
- **Age Limit:** No Section of this policy shall apply in respect of any person who has reached the age of 56 years at the commencement of the Period of Insurance (please note that the Essentials, Backpacker and Adventurer policy options have an age limit of 45 at the date of purchase).
- **Trip Limits:** This policy contains strict limits on the length of time You can spend travelling abroad on each Trip. Please refer to the definition of the 'Trip' in the Meanings of Words. **IF YOU TRAVEL FOR MORE THAN THE NUMBER OF DAYS FOR WHICH YOU HAVE PAID FOR COVER, YOU WILL NOT BE COVERED AFTER THE LAST DAY FOR WHICH YOU HAVE PAID.** Trips must commence (unless an Overseas Application is approved) and end (unless a One Way Trip option is chosen) in the UK Area, the Channel Islands or Republic of Ireland.
- **Medical Emergency:** In the event of a medical emergency You must contact Us as soon as possible. You **MUST** contact Us before incurring expenses in excess of £500, except in the case of emergency. If You are physically prevented from contacting Us immediately, You or someone designated by You must contact Us within 48 hours.
- **Pregnancy and Childbirth:** Cover under this policy is provided for unforeseen events. In particular, cover is provided under Section 1 for unforeseen bodily injury or illness. Pregnancy and Childbirth are not considered to be either an illness or injury. For the avoidance of doubt, please note that cover is **ONLY** given under Sections 1, 2, 3 and 4 of this policy for claims arising from Complications of Pregnancy and Childbirth. Please make sure You read the definition of Complications of Pregnancy and Childbirth given under the Meaning of Words below.
- **Third Party Liability:** If You use any form of mechanically propelled vehicle, (e.g. car, motor cycle, moped or scooter) sail or powered boat, or an airborne craft, no liability cover will apply under this policy and You must ensure that You have cover for third party injury or property damage in place.
- **Personal Possessions:** While this policy provides cover for Your Personal Luggage, if You are planning to take expensive items such as sophisticated photographic equipment, jewellery and other Valuables with You then You should check that You have adequate personal possessions cover, under a home contents insurance. The maximum We will pay under this policy for Valuables (as defined) owned by each Insured Person is limited to the amount shown in the summary of cover above (or a lower amount as shown if the Insured Person is aged under 18). Personal Luggage claims are paid based on the value of the goods at the time that they are lost and not on a 'new for old basis' or replacement cost basis; thus a deduction is made for wear, tear, and depreciation. Payment of any claims in respect of any one article or Pair or Set of articles will be limited to £50 unless satisfactory proof of ownership is submitted. Evidence of replacement value is not sufficient.
- **Policy Limits:** Most Sections of Your policy have limits on the amount the Insurer will pay under that Section. Some Sections also include other specific limits, for example: For any one item or for Valuables in total. You are advised to check Your policy.
- **Policy Excess:** Under most Sections of the policy, claims will be subject to an excess. This means that You will be responsible for paying the first part of the claim up to the excess value per Insured Person each and every incident. A definition of Policy Excess is in the Meaning of Words. The amount of the Policy Excess applicable to each section is shown in the summary of Cover above.
- **Reasonable Care:** You need to take all reasonable care to protect yourself and Your property, as You would if You were not insured.

IMPORTANT HEALTH REQUIREMENTS

You must comply with the following conditions in order to have full protection under this policy. If You do not comply We may cancel the policy, refuse to deal with Your claim or reduce the amount of any claim payment.

This insurance operates on the following basis:

1. To be covered, You must be healthy, fit to travel and to undertake Your planned Trip;
2. The insurance will **NOT** cover You when You are travelling against the advice of a Medical Practitioner (or would be travelling against the advice of a Medical Practitioner had You sought his/her advice);
3. The insurance will **NOT** cover You when You are travelling with the intention of obtaining medical treatment or consultation abroad;
4. The insurance will **NOT** cover You if You have any undiagnosed symptoms that require attention or investigation in the future (that is symptoms for which You are awaiting investigations/consultations, or awaiting results of investigations, where the underlying cause has not been established).

No claim arising directly or indirectly from a Pre-existing Medical Condition affecting You will be covered unless:

- You have declared ALL Pre-existing Medical Conditions to Us; and
- You have declared any changes in Your health or prescribed medication; **and**
- We have accepted the condition(s) for insurance in writing.

Each Insured Person who has a Pre-existing Medical Condition must make a Medical Health Declaration before each Period of Insurance and, if there are any changes in Your health or prescribed medication, prior to commencement of the Period of Insurance or departing on any Trip.

Failure to declare ALL Pre-existing Medical Conditions that are relevant to the insurance may invalidate the policy.

We may require You to obtain a medical report from Your General Practitioner or Consultant in order to assess whether cover applies. Any costs incurred in obtaining this medical report shall be borne by You.

Based on Our assessment of the medical information supplied to Us, We will decide whether or not the person is suitable for insurance, if certain exclusions or restrictions should be imposed, or if cover can be offered subject to the payment of an additional premium. If We offer cover, and, if the cover is subject to the payment of an additional premium, cover will not commence until full payment has been received by Us and written confirmation has been provided by Us.

To declare a Pre-existing Medical Condition or a change in Your state of health or prescribed medication, You should contact the Medical Screening Helpline during office hours on: 0844 338 6284

You should also refer to the General Exclusions.

The following medical conditions are covered without additional charge and subject to the normal terms and conditions of this insurance, **provided** (a) the Insured is not awaiting surgery for the condition, **and** (b) the Insured has been fully discharged from any post-operative follow-up.

TRIPS TO MAINLAND SPAIN, THE CANARY ISLANDS (Tenerife, Gran Canaria, Fuerteventura, Lanzarote, La Palma, Gomera and El Hierro) AND THE BALEARIC ISLANDS (Cabrera, Formentera, Ibiza, Majorca/Mallorca, Menorca) – 24 HOUR EMERGENCY SERVICE

When away from Home, it is most important that You have immediate access to professional medical attention in the event of an emergency. With this in mind, We have put in place, for Your benefit, a network of medical professionals throughout mainland Spain, the Canary Islands and the Balearic Islands, at Your service 24 hours a day, 7 days a week. This is supported by a 24 hour medical emergency service, which can direct You to these professionals, and which will also follow Your case through from the moment You enter hospital until You are released and, in more serious cases, until You are safely repatriated (accompanied, if deemed medically necessary, by one of Our medical team).

In addition, **no Policy Excess will apply** when You receive **inpatient treatment** (where medically necessary) at:

- a) one of Our network hospitals, or
- b) a state hospital when You have used the EHC to effectively reduce the cost of Your medical treatment or medicines.

- free treatment as an in-patient or out-patient at a public hospital;
- subsidised medicines under the Pharmaceutical Benefits Scheme; and

You must enrol at Medicare offices in Australia if You will be receiving treatment. If You receive treatment before You enrol, Medicare benefits can be backdated, if You are eligible. To be eligible You must be a resident of the United Kingdom and will need to show Your British passport with an appropriate visa. If You do not do so, We may reject Your claim or limit the amount We pay to You.

Special conditions relating to claims

We have the option to either pay You for the loss, or replace, reinstate or repair the items concerned.

Claims are paid based on the value of the goods at the time that they are lost and not on a 'new for old basis' or replacement cost basis; thus a deduction is made for wear, tear, and depreciation, bearing in mind the age of the items.

- Any medical information supplied in a Medical Health Declaration will be treated in the strictest confidence, will be used solely for Our own internal purposes for the assessment of the risk, and will not be disclosed to any outside person or authority without the specific approval of the person whose details are shown in the Medical Health Declaration. We shall not refuse cover unless, in Our opinion, the risk associated with the particular person travelling is substantially greater than that represented by the average healthy traveller. The cost of any medical evidence produced in connection with a Medical Health Declaration shall be borne by You.
- During each Period of Insurance and before You depart on each Trip You must declare to the Medical Screening Helpline any change in Your health or medical status. This change must be accepted in writing by Us before cover will be continued. If in doubt as to whether any change is material, You should contact the Medical Screening Helpline.

- You must avoid needless self-exposure to peril unless You are attempting to save human life.
- We will make every effort to apply the full range of services in all circumstances dictated by the terms and conditions. Remote geographical locations or unforeseeable adverse local conditions may preclude the normal standard of service being provided.

- In the event of an emergency or any occurrence that may give rise to a claim for more than £500 under this insurance, You must contact Us as soon as possible. You must make no admission of liability, offer, promise or payment without Our prior consent. **Please Telephone Us first.**
- We are entitled to take over Your rights in the defence or settlement of a claim, or to take proceedings in Your name for Our own benefit against another party and We shall have full discretion in such matters. This is to enable Us to recover any costs We have incurred from any third party who may have liability for the costs.
- We may, at any time, pay to You Our full liability under this policy after which no further liability shall attach to Us

in any respect or as a consequence of such action.

12. Where it is possible for Us to recover sums that We have paid out under the terms of the policy, You will co-operate fully with Us in any recovery attempt We make and We will pay all costs associated with the recovery of Our outlay. You agree not take any action that may prejudice Our recovery rights and will advise Us if You instigate proceedings to recover compensation arising from any incident which has led to a successful claim against this policy. The sums We have paid out under the terms of the policy will be reimbursed from any recovery made.
13. You must take all practicable steps to recover any article lost or stolen and to identify and ensure the prosecution of the guilty person(s). We may at any time and at Our expense take such action as We deem fit to recover the property lost or stated to be lost.
14. In the event of a valid claim You shall allow Us the use of any relevant Travel Documents You are not able to use because of the claim.
15. You must notify Us in writing of any event which may lead to a claim, within 28 days of Your return Home. As often as We require You shall submit to medical examination at Our expense. In the event of the death of an Insured Person We shall be entitled to have a post mortem examination carried out at Our expense. You must supply Us with a written statement substantiating Your claim, together with (at Your own expense) all certificates, information, evidence and receipts that We reasonably require.
16. If any fraudulent claim is made or if any fraudulent means or devices are used to obtain any benefit under the insurance, this policy shall become void and the premium paid shall be forfeited. Any benefits so claimed and received must be repaid to Us.
17. We may give 7 days notice of cancellation of this policy by recorded delivery to You at Your last known address. In this case We shall refund to You the unexpired pro-rata portion of the premium You have paid, subject to there having been no known claims or losses.
18. If any dispute arises as to the policy interpretation, or as to any rights or obligations under this policy, We offer You the option of resolving this by using the arbitration procedure We have arranged. Please see the details shown under Customer Satisfaction. Using this service will not affect Your legal rights. If You are unsure of Your legal rights, You should contact the Citizens' Advice Bureau.
19. You will be required to repay to Us, within one month of Our request to You, any costs or expenses We have paid on Your behalf which are not covered under the terms and conditions of this policy.

23. Special Sports and Activities and Winter Sports are covered only if You have paid the appropriate additional premium required.
24. Although We are prepared to cover You when undertaking certain sports and activities, the availability of the insurance cover does not, in itself, imply that We or the underwriters consider such sports and activities as safe. At all times You must satisfy yourself that You are capable of safely undertaking the planned sport or activity and You must take care to avoid injury, accident or loss to yourself and to others.
