IMPORTANT NOTES

We would like to draw Your attention to important features of Your policy including:

- **Emergency Medical Expenses:** This policy is NOT a Private Medical Insurance policy, and does not provide cover for procedures that can be carried out in Your country of residence after repatriation or for any medical expenses incurred in private facilities if a medically suitable State facility is available. This policy does not provide cover for private medical expenses when You are hospitalised in a state run hospital or clinic where EU residents have a right to state provided emergency treatment. If an emergency situation arises You need to contact the Emergency Assistance Facilities service.
- **Consumer Insurance Act:** You are required by the provisions of the Consumer Insurance (Disclosure and Representations) Act to take care to:
 - a) supply accurate and complete answers to all the questions We or the administrator may ask as part of your application for cover under the policy;
 - b) to make sure that all information supplied as part of Your application for cover is true and correct;
 - c) tell Us of any changes to the answers You have given as soon as possible.Failure to provide answers in-line with the requirement of the Act may mean that Your policy is invalid and that it does not operate in the event of a claim.
- **Health:** This policy contains restrictions regarding Existing Medical Conditions which unless declared and accepted by the Insurers in writing prior to travel may invalidate any subsequent claim. If You are in any doubt as to whether You would be covered by the policy please call the Medical Screening Helpline T. 0203 829 3881.
- **Changes in health or medication:** You must contact the medical screening helpline and declare any changes in Your health or Your medication that occur between the date You take out this policy and the date You start any Trip.
- **Cancellation & Curtailment:** It is important to note that the policy contains conditions and exclusions in relation to non-insured travelling companions, Close Relatives or persons with whom You intend to stay whilst on Your Trip, in the event of any need to cancel or curtail a Trip as a result of changes in their health. Please refer to the 'Important Limitations – Cancellation & Curtailment Cover' section for full details.
- **Special Sports & Activities:** This policy specifically excludes participating in or practising for certain sports and activities. Your policy can be extended to cover some of these sporting activities (as detailed under the Optional Special Sports & Activities Cover Section) when You have paid an appropriate additional premium. If You are going to take part in Special Sports and Activities where there may be a high risk of injury or if You are in any doubt as to whether cover will apply, please call the Downunder UK Travel Helpline on 0207 402 9211.
- **Age Limit:** No Section of this policy shall apply in respect of any person who has reached the age of 56 years at the commencement of the Period of Insurance (please note that the Essentials, Backpacker and Adventurer policy options have an age limit of 45 at the date of purchase).
- **Trip Limits:** This policy contains strict limits on the length of time You can spend travelling abroad on each Trip. Please refer to the definition of the 'Trip' in the Meanings of Words. **IF YOU TRAVEL FOR MORE THAN THE NUMBER OF DAYS FOR WHICH YOU HAVE PAID FOR COVER, YOU WILL NOT BE COVERED AFTER THE LAST DAY FOR WHICH YOU HAVE PAID.** Trips must commence (unless an Overseas Application is approved) and end (unless a One Way Trip option is chosen) in the United Kingdom, the Channel Islands or the Isle of Man.
- **Medical Emergency:** In the event of a medical emergency You must contact the Emergency Assistance Facilities service as soon as possible. You MUST contact the Emergency Assistance Facilities service before incurring expenses in excess of £500, except in the case of emergency. If You are physically prevented from contacting the Emergency Assistance Facilities service immediately, You or someone designated by You must contact the Emergency Assistance Facilities service within 48 hours.
- **Pregnancy and Childbirth:** Cover under this policy is provided for unforeseen events. In particular, cover is provided under Section 1 for unforeseen bodily injury or illness. Pregnancy and Childbirth are not considered to be either an illness or injury. For the avoidance of doubt, please note that cover is ONLY given under Sections 1, 2, 3 and 4 of this policy for claims arising from Complications of Pregnancy and Childbirth. Please make sure You read the definition of Complications of Pregnancy and Childbirth given under the Meaning of Words below.
- **Third Party Liability:** If You use any form of mechanically propelled vehicle, (e.g. car, motor cycle, moped or scooter) sail or powered boat, or an airborne craft, no liability cover will apply under this policy and You must ensure that You have cover for third party injury or property damage in place.
- **Personal Possessions:** While this policy provides cover for Your Personal Effects & Baggage, if You are planning to take expensive items such as sophisticated photographic equipment, jewellery and other Valuables with You then You should check that You have adequate personal possessions cover, under a home contents insurance. The maximum We will pay under this policy for Valuables (as defined) owned by each Insured Person is limited to the amount shown in the summary of cover above (or a lower amount as shown if the Insured Person is aged under 18). Personal Effects & Baggage claims are paid based on the value of the goods at the time that they are lost and not on a 'new for old basis' or replacement cost basis; thus a deduction is made for wear, tear, and depreciation. Payment of any claims in respect of any one article or Pair or Set of articles will be limited to £50 unless satisfactory proof of ownership is submitted. Evidence of replacement value is not sufficient.
- **Policy Limits:** Most Sections of Your policy have limits on the amount the Insurer will pay under that Section. Some Sections also include other specific limits, for example: For any one item or for Valuables in total. You are advised to check Your policy.
- **Policy Excess:** Under most Sections of the policy, claims will be subject to an excess. This means that You will be responsible for paying the first part of the claim up to the excess value per Insured Person each and every incident. A definition of Policy Excess is in the Meaning of Words. The amount of the Policy Excess applicable to each section is shown in the summary of Cover above.
- **Reasonable Care:** You need to take all reasonable care to protect yourself and Your property, as You would if You were not insured.

 9. We are entitled to take over Your rights in the defence or settlement of a claim, or to take proceedings in Your name for Our own benefit against another party and We shall have full discretion in such matters. Cancellation by the Insured Person If You subsequently give notice in writing or by telephone to Us to cancel this policy such cancellation shall take effect on the date the notice is received or on the date specified in the notice, whichever is the later. If the notice of cancellation is received within the 14 day Cooling – Off Period, on the condition that no travel has taken place and no claims have been made or are pending, We will then refund Your premium in full. If We cancel the policy and/or any additional covers You will receive a refund of any premiums You have paid for the cancelled cover, less a proportionate deduction for the time We have provided cover, unless the reason for cancellation is fraud and/or We are entitled to keep the premium under the Consumer Insurances (Disclosure and Representations) Act 2012.

IMPORTANT NOTES

We would like to draw Your attention to important features of Your policy including

- **Emergency Medical Expenses:** This policy is NOT a Private Medical Insurance policy, and does not provide cover for procedures that can be carried out in Your country of residence after repatriation or for any medical expenses incurred in private facilities if a medically suitable State facility is available. This policy does not provide cover for private medical expenses when You are hospitalised in a state run hospital or clinic where EU residents have a right to state provided emergency treatment. If an emergency situation arises You need to contact the Emergency Assistance Facilities service.
- **Repatriation:** PLEASE NOTE THAT THIS POLICY DOES NOT COVER REPATRIATION TO YOUR HOME COUNTRY IN THE EVENT OF AN INCIDENT IN YOUR FINAL COUNTRY OF DESTINATION.
- **Consumer Insurance Act:** You are required by the provisions of the Consumer Insurance (Disclosure and Representations) Act to take care to:
 - a) supply accurate and complete answers to all the questions We or the administrator may ask as part of Your application for cover under the policy;
 - b) to make sure that all information supplied as part of Your application for cover is true and correct;
 - c) tell us of any changes to the answers You have given as soon as possible.
Failure to provide answers in-line with the requirement of the Act may mean that Your policy is invalid and that it does not operate in the event of a claim.
- **Special Sports & Activities:** This policy specifically excludes participating in or practising for certain sports and activities. Please see the Special Sports & Activities and Winter Sports Sections for details.
- **Age Limit:** No Section of this policy shall apply in respect of any person who has reached the age of 56 years at the commencement of the Period of Insurance.
- **Trip Limits:** This policy contains strict limits on the length of time You are covered for in Your Final Country of Destination. Please refer to the definition of the 'Trip' in the Meanings of Words. YOU WILL NOT BE COVERED AFTER THE LAST DAY FOR WHICH YOU HAVE PAID COVER UNDER THIS POLICY
- **Pregnancy and Childbirth:** Cover under this policy is provided for unforeseen events. In particular, cover is provided under Section 1 for unforeseen bodily injury or illness.
 - Pregnancy and Childbirth are not considered to be either an illness or injury. For the avoidance of doubt, please note that cover is ONLY given under Sections 1, 3 of this policy for claims arising from Complications of Pregnancy and Childbirth. Please make sure You read the definition of Complications of Pregnancy and Childbirth given under the Meaning of Words below.
 - **Third Party Liability:** If You use any form of mechanically propelled vehicle, (e.g. car, motor cycle, moped or scooter) sail or powered boat, or an airborne craft, no liability cover will apply under this policy and You must ensure that You have cover for third party injury or property damage in place.
 - **Personal Possessions:** While this policy provides cover for Your Personal Effects & Baggage, if You are planning to take expensive items such as sophisticated photographic equipment, jewellery and other Valuables with You then You should check that You have adequate personal possessions cover, under a home contents insurance. The maximum We will pay under this policy for Valuables (as defined) owned by each Insured Person is limited to £200 (or £100 if the Insured Person is aged under 16). Personal Effects & Baggage claims are paid based on the value of the goods at the time that they are lost and not on a 'new for old basis' or replacement cost basis; thus a deduction is made for wear, tear, and depreciation. Payment of any claims in respect of any one article or Pair or Set of articles will be limited to £50 unless satisfactory proof of ownership is submitted. Evidence of replacement value is not sufficient.
 - **Policy Limits:** Most Sections of Your policy have limits on the amount the Insurer will pay under that Section. Some Sections also include other specific limits, for example: For any one item or for Valuables in total. You are advised to check Your policy.
 - **Policy Excess:** Under most Sections of the policy, claims will be subject to an excess. This means that You will be responsible for paying the first part of the claim up to the excess value per Insured Person each and every incident. A definition of Policy Excess is in the Meaning of Words.
 - **Reasonable Care:** You need to take all reasonable care to protect yourself and Your property, as You would if You were not insured.
