Warranty At the time of requesting this insurance, the proposer warrants that all the persons to be covered are not

- travelling contrary to medical advice or to obtain medical treatment abroad;
- receiving or awaiting hospital consultation, investigation or treatment; or
- suffering from any pre existing medical conditions

Should the proposer or anyone to be covered suffer from a pre existing condition, this must be declared to and accepted by Downunder for cover. The proposer further warrants that

- no claims have been made under any original certificate (or extension thereof)
- nothing has arisen or occurred to date which will result in a claim being made

If any claims have been made or are pending, full details must be supplied. The proposer understands that the Underwriters will accept no increased liability under the policy during the period between the insurance commencing and the proposer receiving, reading and understanding his and her insurance documents. The proposer understands that this application may be subject to approval from the Underwriters. No cover is available until confirmed by the issuing agent.

Proposer on behalf of all insured persons _____
